

Dear Friend of the American Cancer Society,

On behalf of the Finish the Fight Invitational Executive Committee, we invite you to join the American Cancer Society by supporting the *Finish the Fight Invitational*, to be held on Monday, October 12, 2026 at the Hamilton Farm Golf Club in Bedminster, NJ. This event honors those powerful and inspiring people who have battled cancer while helping spread awareness about prevention and detection of cancer, assisting with raising funds to find cures, as well as supporting programs and providing services for those facing the disease.

The American Cancer Society is improving the lives of people with cancer and their families as the only organization combating cancer through advocacy, research, and patient support, to ensure that everyone has an opportunity to prevent, detect, treat, and survive cancer. Thanks to the progress we're making together, mortality rates from the disease have fallen 34% between 1991 and 2022. That's 4.5 million lives saved. While we're making great progress, it's going to take all of us, working together, to continue making an impact.

We are writing in hopes that you would contribute to this event by donating an item for our premiere auction or sponsoring our event.

Your support will make a significant impact on the success of our event and, more importantly, on the lives of those affected by cancer. Together, we can create a future where cancer is no longer a threat, and every individual has the opportunity to live a healthy and fulfilling life.

To confirm your participation or inquire further about donation opportunities, please feel free to contact Jazmine Olson, at Jazmine.Olson@cancer.org

Warm regards,
